ANDREW SHEARER

FRONT END DEVELOPER

ABOUT ME

I'm a passionate Front End Developer who loves to be challenged, learn, and grow within Vancouver's tech industry. I am devoted to learning and using the latest web technologies, and I've built beautiful modern, responsive sites for all types of clients across the Lower Mainland, and around the world.

EXPERIENCE

JUNIOR WEB DEVELOPER | 2019 - PRESENT

OPACITY DESIGN GROUP

Opacity Design Group is one of BC's top full-service agencies. As the Junior Web Developer, my focus is to build the front end portion of the website for our clients

- Build fully responsive websites using HTML, CSS (Sass & Less), PHP (WordPress), and JavaScript (ES6+)
- Build suites referencing Illustrator/Photoshop files provided by our designers
- Create wireframes for multiple projects and prepared them for presentation to the clients
- Learned the basics of jQuery, PHP, and C# on site
- Works directly with clients to resolve any bugs/issues as well as implement any desired updates
